Insert Guidelines - Finished size – The finished size of a multi-paged insert must be no smaller than 7.5"x10.5" and no larger than 10.5" x 15.5". Advance samples are appreciated and may be required.

Folding – Supplemental folding should be avoided unless necessary to satisfy maximum dimensions. Quarter-folded inserts must be expressly authorized, in writing, by Herald Newspapers. Inserts which are unnecessarily quarter-folded and are not pre-authorized may be rejected. It should be noted that charges will be based on the page count as-inserted; thus, unnecessary folds add unnecessary charges.

Wastage Allowance/Handling - Advertiser is responsible to ensure the quantity of inserts provided is appropriate for the scheduled insertion quantity. A 2% wastage allowance is encouraged to ensure insertion of ordered quantity. Charges will be based on the quantity ordered/inserted, regardless of wastage. Except by express, written agreement, our contracted printing facility will dispose of excess inserts.

Packaging Instructions – Inserts must be adequately packed, secured and protected from damage. Multi-paged inserts should be packed in turns of no more than 50 copies per turn. If boxed, inserts must be packed to avoid bent or ripped pieces. Each box must contain the same quantity. Boxed weight must not exceed 40 pounds. All boxes must be clearly labeled "Herald Newspapers, (Total Quantity), (Insertion Date)".

Pallet (Skid) Loading and Labeling Instructions – Place cardboard on pallet before stacking inserts. Stacked bundles/boxes must not overhang the edge of the pallet. All palletized loads must have a topper and be banded or plastic wrapped. Pallets must be clearly labeled "Herald Newspapers, (Total Quantity), (Insertion Dates)".

Herald Newspapers and our contracted printing facility reserve the right to refuse, and be held harmless for refusing, inserts which arrive damaged, improperly secured, or in any other way do not meet insert specifications or delivery requirements. No assurances, returns, credits or other compensation will accrue from such circumstances.
